

Program Dates: June 1, 2017 - May 31, 2018

Applications must be received within 30 days of installation or by June 30, 2018, whichever comes first.

Introduction

CPS Energy will offer a Home Energy Rebate (sometimes "rebate") for residential customers to make any of the below energy-saving improvements. A residential structure is defined as a single-family home, a duplex or a fourplex. To obtain further information or to check the availability of funds please check the program website at cpsenergy.com/residentialrebates. If you need further information, please call **210-353-2728**. Visit cpsenergy.com/hea and complete a home energy audit; you may be eligible for free energy saving measures such as LED light bulbs. **All projects are subject to verification.** Please see complete Terms and Conditions of the Home Energy Rebate on page 4.

CPS Energy Account Holder Information

Account Number					
Account Holder First Name*		Account Holder Last Name			
Installation Address	City		State	TX	Zip
Mailing Address	City		State	TX	Zip
Email	Phone				
How did you learn about this program?	<input type="checkbox"/> Event <input type="checkbox"/> Contractor <input type="checkbox"/> Friends/Family <input type="checkbox"/> Mailer/Bill Insert <input type="checkbox"/> Utility <input type="checkbox"/> Website				

*Unless the Optional Payment Release section is completed below, authorizing payment to a third party, checks will be made payable to the Account Holder on record with CPS Energy. The Account Holder is responsible for accuracy.

Installing Contractor Information (Not required for Self Installed Attic Insulation.)

Contractor Company Name		Contact Name			
Mailing Address	City		State	TX	Zip
License Numbers	Permit Number		Install Date		
Email	Phone				

Optional Payment Release Authorization **Complete this section ONLY if the rebate payment is to be paid to a third party. If payment is released to contractor, rebate must be shown as a credit on the customer invoice.**

I, the CPS Energy Account Holder, authorize CPS Energy to send the Home Energy Rebate payment to the contractor named above, or the other third party named below. I understand and acknowledge that I will not be receiving the rebate payment directly. I also understand and acknowledge that my release to a third party does not exempt me from adhering to all the Terms and Conditions of the Home Energy Rebate.

Customer Required Signature

Under penalty of perjury I certify that the above declaration is true and correct; and **I understand and acknowledge that the information is subject to audit and investigation by CPS Energy, and a site visit/audit for rebate eligibility may be required prior to payment of the Home Energy Rebate.** The site visit/audit is for record purposes only and does not guarantee the quality of the work performed. I have read and agree to the Terms and Conditions of the Home Energy Rebate. I also understand and acknowledge that submission of this application does not guarantee qualification for a rebate. The program will end when funds are depleted.

Rebate Requirements

Central Air Conditioner, Central Heat Pump, and Ductless Mini Splits

Central AC, Heat Pumps, Ductless Mini Splits Qualifying Type of Unit	Date Installed (MM/DD/YY)	Existing System		Manufacturer	AHRI Certificate Number	SEER Rating	HSPF Rating	Tier Installed (see table below)	Size (tons)	Rebate Expected (tons x Tier rebate listed in table)
		Age	Operational							
			<input type="checkbox"/> Yes <input type="checkbox"/> No							
			<input type="checkbox"/> Yes <input type="checkbox"/> No							
			<input type="checkbox"/> Yes <input type="checkbox"/> No							
		Tier 1	Tier 2	Tier 3	Tier 4	Tier 5				
Requirements for Central AC, Ductless Mini Splits, Heat Pumps		≥ 15-15.9 SEER	≥ 16-16.9 SEER	≥ 17-17.9 SEER	≥ 18-20.9 SEER	≥ 21+ SEER				
REBATE dollars (Dollars X tonnage)		\$100/ton	\$125/ton	\$160/ton	\$225/ton	\$275/ton				

REBATE SPECIFICATIONS: The minimum efficiency required to receive a central air conditioner rebate is 15 SEER (seasonal energy efficiency rating ratio). Rebates are tiered for equipment that has higher efficiency levels than the minimum. These rebates apply to home improvement or retrofit projects only. They are not available for new construction projects. In order to qualify for rebates, all HVAC equipment must be installed by an HVAC contractor licensed within the State of Texas. Model and Serial Number(s) for each inside and outside unit must be included on the invoice. **To qualify for rebates all units must be at least 15 SEER, 12.0 EER, 8.5 HSPF.**

REQUIRED DOCUMENTATION: Applications must be complete and signed by Account Holder and include a copy of contractor's invoice and AHRI certificate. AHRI certificates may be found on <https://www.ahridirectory.org>.

Pool Pump

Qualifying Product	Date Installed (MM/DD/YYYY)	Manufacturer	Model Number(s)	Serial Number	Size (HP)	Qty	Rebate*	Rebate Expected
Residential Pool Pump							\$150/HP	

REBATE SPECIFICATIONS: Motor only replacement does not qualify for this rebate. Rebuilding an existing pool pump does not qualify for this rebate. Must be a NEW (not used) unit that is listed on the ENERGY STAR® website as a Variable Speed Pool Pump and carry a minimum one-year manufacturer warranty. Must be installed by a licensed plumber and be compliant with all local, state and national codes regarding the installation and operation of water heating equipment. Must be programmed to the energy efficiency standards required by ENERGY STAR®.

REQUIRED DOCUMENTATION: Applications must be signed and complete. The contractor's invoice must show the model number and serial number of all equipment installed.

*Rebate Maximum is \$450.

Contractor Installed Attic Insulation

Qualifying Product	Date Installed (MM/DD/YYYY)	Insulation Type	Insulation Level (R-Value)	Attic Height	Total Square Footage	Heating Type	Cooling Type	Qty (Square Feet)	Rebate	Rebate Expected
Attic Insulation		<input type="checkbox"/> Fiberglass <input type="checkbox"/> Cellulose <input type="checkbox"/> Spray Foam	Existing _____ New _____		Attic Floor _____ Living Area _____ Conditioned Space _____	<input type="checkbox"/> Gas <input type="checkbox"/> Electric Resistance <input type="checkbox"/> Heat Pump	<input type="checkbox"/> Central Air <input type="checkbox"/> Window Air		\$0.35/sq ft	

REBATE SPECIFICATIONS: Attic insulation must be installed between conditioned (air conditioned living area below ceiling) and unconditioned areas (attic) to qualify. Square footage measurements will be verified against Bexar County property tax records, or inspected by a CPS Energy inspector. **For attics with more than 24 inches of attic clearance:** final insulation must be at least R-38 and existing attic insulation must be no greater than R-14. **For attics with less than 24 inches of attic clearance:** the final insulation level must be at least R-19, existing attic insulation for low ceilings must be no greater than R-11. Degradation due to age and density of the existing insulation should be taken into account. All insulation must be new materials and have R-value stated on the packaging material. Garages and other non-living areas do not qualify.

REQUIRED DOCUMENTATION: Applications must be signed by the Account Holder. Attach an itemized and dated invoice from the contractor (include insulation manufacturer, type and square feet) along with your application form.

Self Installed Attic Insulation

Qualifying Product	Date Installed (MM/DD/YYYY)	Insulation Type	Insulation Level (R-Value)	Attic Height	Total Square Footage	Heating Type	Cooling Type	Qty (Square Feet)	Rebate	Rebate Expected
Attic Insulation		<input type="checkbox"/> Fiberglass <input type="checkbox"/> Cellulose <input type="checkbox"/> Spray Foam	Existing _____ New _____		Attic Floor _____ Living Area _____ Conditioned Space _____	<input type="checkbox"/> Gas <input type="checkbox"/> Electric Resistance <input type="checkbox"/> Heat Pump	<input type="checkbox"/> Central Air <input type="checkbox"/> Window Air		\$0.25/sq ft	

REBATE SPECIFICATIONS: Attic insulation must be installed between conditioned (air conditioned living area below ceiling) and unconditioned areas (attic) to qualify. Square footage measurements will be verified against Bexar County property tax records, or inspected by a CPS Energy inspector. **For attics with more than 24 inches of attic clearance:** final insulation must be at least R-38 and existing attic insulation must be no greater than R-14. **For attics with less than 24 inches of attic clearance:** the final insulation level must be at least R-19, existing attic insulation for low ceilings must be no greater than R-11. Degradation due to age and density of the existing insulation should be taken into account. All insulation must be new materials and have R-value stated on the packaging material. Garages and other non-living areas do not qualify.

REQUIRED DOCUMENTATION: Applications must be signed by the Account Holder. Attach an itemized and dated purchase receipt or sales invoice (include insulation manufacturer, type and square feet) along with your application form.

Terms & Conditions

- 1. Eligibility.** The rebate project must be completed for a CPS Energy account holder within the CPS Energy service area. Rebate will not exceed the cost of the project. This rebate does not qualify for new homes. Please see our rebates available for New Home Construction.
- 2. Project Timeline.** Applications and supporting documents must be filed within 30 days of the completion of the work. The project must be completed between June 1, 2017 and May 31, 2018.
- 3. Permitting.** To qualify for the rebate, all HVAC equipment must be installed by an HVAC contractor licensed in the State of Texas. Installers shall secure and pay for all permits, governmental fees, and licenses necessary for proper completion of the Project. Upon request, the installer shall provide CPS Energy with a copy of the electrical permit or the green tag inspection.
- 4. Application Submission:** Applications must be submitted one of two ways:
 - Email to: CPSEnergy@franklinenergy.com or
 - Mail to: **CPS Energy Residential Efficiency Programs**
5308 Wurzbach Road, Suite 200
San Antonio, TX 78238
- 5. Documentation.** Applications must be signed by account holder. **Missing documentation will delay processing.** Contractor's invoice/purchase receipt must be provided and show model number and serial number of all equipment installed.
 - For Central Air, this includes condenser, coil, and furnace.
 - Central Air and Heat Pump rebates requires an Air Conditioning, Heating & Refrigeration Institute (AHRI) certificate.
 - For insulation rebates, invoice must include square footage of work area.
- 6. Inspection and Verification. Applications are subject to verification. If the verification cannot be completed, the rebate will not be paid.** All Applications are subject to an inspection by CPS Energy or its designated agent. CPS Energy reserves the right to reduce or reject the rebate amount requested if the product installed was not done in accordance with these Terms and Conditions.
- 7. Payment.** Once completed paperwork is submitted, rebate payments are usually made within 8-10 weeks. All rebate checks are payable to the account holder named on the utility bill (unless payment release authorization request has been made). Incomplete applications will either delay payments or result in denial of application approval. CPS Energy reserves the right to refuse payment and participation if the account holder or contractor violates program terms and conditions.
- 8. Program Discretion.** Rebates are available on a first-come, first-served basis. Rebate amounts and offerings are subject to change or termination without notice at the discretion of CPS Energy. **THIS PROGRAM IS SUBJECT TO CHANGE OR CANCELLATION WITHOUT NOTICE.**
- 9. Disclaimers.** The Customer will defend, hold harmless, and release CPS Energy and its affiliates, officers, directors, shareholders, agents, employees, contractors, and representatives from any and all claims, liabilities, fines, interest, costs, expenses, and damages (including attorney's fees and court costs) incurred by the Customer or its contractors or any third party for any damage, injury, death, loss, or destruction of any kind to persons or property, to the extent the damage, injury, death, loss, or destruction arises out of or is related to the acts or omissions of CPS Energy or the company's affiliates, officers, directors, shareholders, agents, employees, contractors, or representatives to the rebate program. CPS Energy does not endorse any particular manufacturer, product, labor, or system design by offering these programs. **CPS ENERGY DOES NOT EXPRESSLY OR IMPLICITLY WARRANT THE PERFORMANCE OF ANY EQUIPMENT OR ANY CONTRACTOR'S QUALITY OF WORK. NO WARRANTY OF ANY KIND, WHETHER STATUTORY, WRITTEN, ORAL, OR IMPLIED (INCLUDING WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY) WILL APPLY.** (Contact your contractor or equipment supplier for any warranties.)
- 10. Assignment.** Account holder shall not assign its rights or obligations under the rebate application or these Terms and Conditions, or any part thereof, without the prior written consent of CPS Energy. Further, account holder shall not assign, by power of attorney or otherwise, any of the money payable under the rebate application or these Terms and Conditions without the prior written consent of CPS Energy. CPS Energy acceptance of the rebate application constitutes prior written consent. If account holder does not obtain CPS Energy's prior written consent, any purported assignment or delegation shall be null and void. The Terms and Conditions shall bind and inure to the account holder's permitted successor or assignee.
